TOMCC 70th Anniversary Run. The suggested run to Cotswold Bike Meet which was agreed by the committee now has a contender with the Toddington Bike Meet. The committee to decide at a later date.

Bring it Home Rally. The band have confirmed that they have the date of the rally in their diaries and are available. We have tried to contact the D.J. unsuccessfully, therefore not confirmed as yet. S Malin has a book to donate for the raffle prizes.

The committee asked Bob Smith if he had been given the signed Triumph experimental book by Julie. Bob was not sure and would report back at the next meeting.

Bob Smith reported that we had purchased 300 wristbands and had details of the new style rally badges for approval of the committee. This was agreed and the purchase of the badges was agreed by the committee.

A.O.B.

D Moxon gave the committee an update of the incident that occurred at the N.E.C that involved Birmingham and Wolves Branch. A member of the branch had a friend deliver his bike and an incident which caused an accident occurred. The friend was not a member of the TOMCC so he was not insured. The TOMCC have asked the B.M.F. to look into this as Triumph use B.M.F. insurance. S Malin who went on the West Wales run informed the committee that the three longest distance rides were all females. They were M Malin, J Taylor and A Jelley – who received the award for the furthest

Bob Smith had received an email about the old style Meriden cloth badges. They had offered 100 at a reduced price. As they were the old type it was decided to ignore the email.

We had not heard anything from the VMCC about the Banbury Run. Bob Smith to contact VMCC.
