

VIBRATIONS!

At the Triumph Factory Experience on 9th
February.

March 2019

Triumph Owners M.C.C.

Northants Branch

Scribblings

Our first outing of 2019 was on 9th February, going to the Coventry Transport Museum and the Triumph Factory Experience. It was a good day out and both places are well worth a visit if you haven't been before – and both have free admission! This was by coach but if you check out the events list you will see that our programme of rideouts will be starting soon.

The 2nd of March was the date of our annual dinner at Overstone Manor with an almost capacity turnout for the private room that has been the venue for many years now. As always, thanks to Les Barras for organising it.

The branch AGM takes place on 20th March and the agenda appears at the back of this issue. All Branch Officers' positions are up for election every year, so if you think that you have something to contribute why not put yourself up for nomination (especially if you wouldn't mind having a go at producing Vibrations every two months or writing the monthly branch report in Nacelle). Or you could just volunteer for one of the "General Purpose" positions on the committee if you want to help out at the various events through the year.

Membership Renewals

If your club membership is due for renewal here are the best ways of dealing with it...

- 1) Renew on-line via tomcc.org/Home/Membership with a credit card, debit card or PayPal account. You can also get a £2 discount using this method.
- 2) Fill in the membership form that was sent to you, then post it direct to the HQ Membership address at Horley, as shown on the form. Include a cheque made payable to Triumph Owners MCC.
- 3) Fill in the membership form and hand it to the Branch Membership Secretary at a club night. Payment by cheque or cash. Memberships renewed this way are only sent to HQ a couple of times a month, so will take longer to process than 1 or 2 above.

Don't worry about the money as the Branch receives the same amount per member regardless of the method used to renew.
