Apologies:

The Minutes from the last meeting were unanimously approved.

Matters Arising from last meeting

- a) Derek and Keith update on Library – carried forward to Next Month.
- b) Julie and Len update on the Megaride. This year's event was down on numbers attending, but more money was raised for charity. (Julie will update further at the next meeting after the Megaride Committee meeting on 13th August). There was a good feel to the event and it was unanimously agreed to support it in 2016.
- c) Ian agreed to supply the Scribe with a list of new members each month to be included in the branch report.
- d) The rally preparations are going well but it was decided to call the raffle numbers in strips of 5 this year.

Any other business
